FDS The Source For Trex® Fencing

WHY CHOOSE TREX FENCING?

STYLE

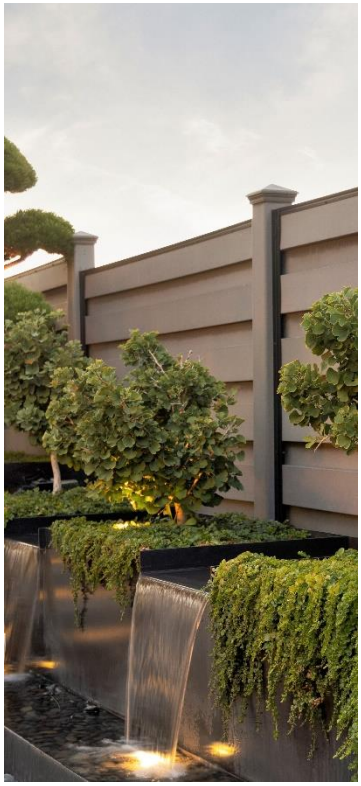
» 3 rich, natural colors
» Neighbor-friendly, board-on-board design
» Same look on both sides
» Adaptable for slopes
» Heights up to 12 feet tall
» Customizable for various applications

STRENGTH

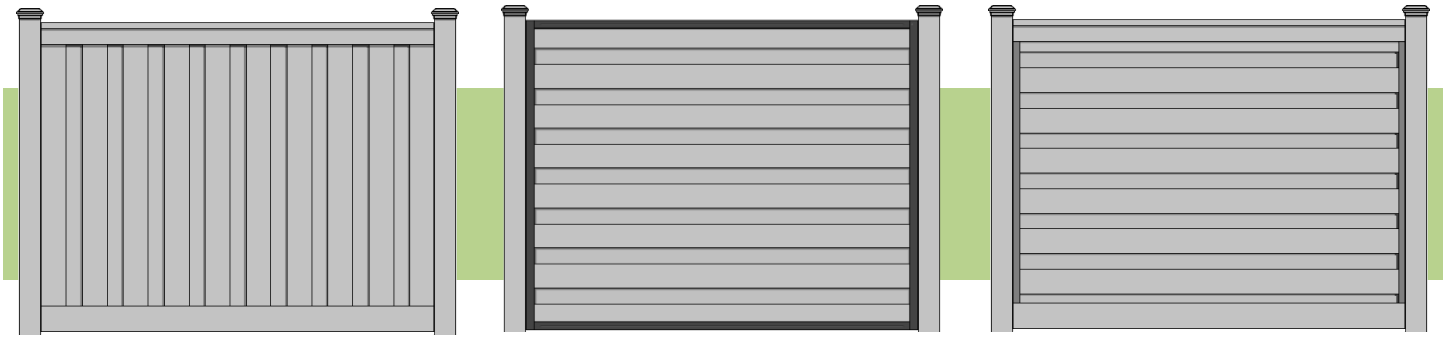
» 25-year residential / 10-year commercial warranties
» Won't rot, split, splinter, or get damaged by insects
» Engineered to withstand hurricane-force winds

SERENITY

» Completely private interlocking pickets
» Never needs painting or staining
» Installs quickly and easily



PRODUCT INFORMATION



SECLUSIONS

» Vertical pickets

» Traditional design

HORIZONS

» Horizontal pickets

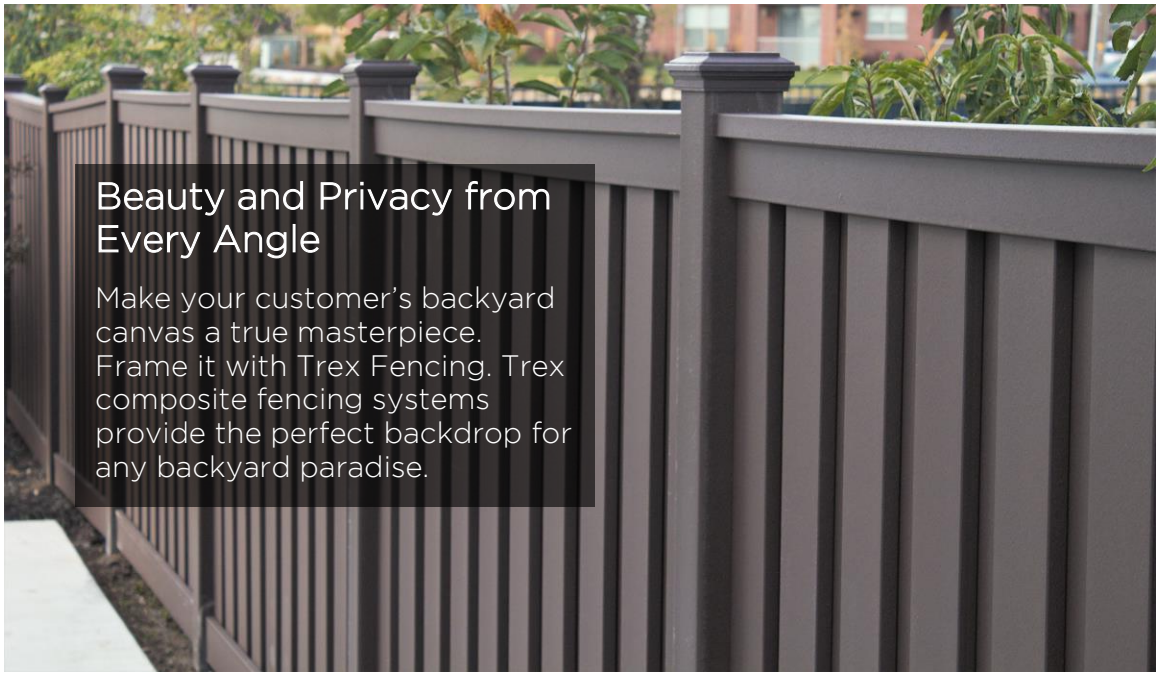
» Contemporary design

SECLUSIONS HORIZONTAL

» Horizontal pickets

» Hybrid design

Visit TrexFencingFDS.com/resources/colors for more information.



Looking for the ideal commercial fence? Trex Fencing is perfect for HOA perimeters as well as utility and dumpster enclosures. What about other structures like privacy screens and opaque railing? The sturdy, low-maintenance material makes it an excellent solution for a variety of applications.

Special Order Materials

Trex Fencing is purchased by special order and typically ships within 10 business days. * Our experts are prepared to assist with material estimation and order placement.

** Lead times may vary depending on carrier availability and order volume. Due to current industry-wide manufacturing and logistics issues, longer lead times can be expected if inventory is on back order.*

Calculating Freight Charges

Freight depends on Ship To location and order size. Contact your customer service representative for a freight quote: 877-700-8739.
